

## Welcome to SherBiz News!

**Dear Jumari,**

If managing your debts or recovering unpaid amounts is leaving you stressed, you're not alone. Debt collection is a challenging process, but with the right team by your side, you don't have to handle it all yourself. At Shergroup, we bring decades of experience and a personal touch to every debt recovery and enforcement case.

In this edition of Sherbiz News, we're spotlighting two critical topics that may be affecting you or someone you know—Statute Barred Debt and the role of Debt Collection Agencies. Our experts are here to help you navigate these financial hurdles and enforce judgments when necessary. Let's dive in.

# What is Statute Barred Debt? Everything You Need to Know

Did you know that certain debts may be too old to enforce? This article breaks down what statute-barred debt means and how it impacts your financial obligations, including County Court Judgments (CCJs). If you're unsure about the status of old debts or feel overwhelmed by unpaid bills, this blog will guide you through understanding your rights and options.

## What is a Debt Collection Agency?

Debt collection agencies play a key role in recovering unpaid debts, but the process can be confusing for both creditors and debtors. This blog explains how these agencies operate and what you can do if you're facing collection efforts. Shergroup's extensive experience, showcased on TV shows like *Call the Bailiffs | Time to Pay Up*, ensures that you're in capable hands when it comes to enforcing or settling debts.
